The 20th Anniversary

Calderdale Way Relay

Well, 20 years on and we are still getting 100 teams entering this classic event. Only two people claimed to have done all 20, Wendy Dodds of Clayton-Le-Moors and Ralph Barker of Denby Dale. These were verified from past results. Clayton-Le-Moors must be the stars of this event with 21 out of 66 titles, and some years entering as many as 12 teams.

Overall honours go to Bingley with eight wins, closely followed by Pudsey & Bramley who after this year's win have seven.

Alterations to leg 6 for safety reasons made times slower this year by between 10 and 20 minutes. Pudsey & Bramley led from the start with no-one really getting close. The ladies' race was much more interesting and, although Clayton led from start to finish for their ninth victory, Holmfirth and Bingley put up a good chase to finish within one minute of the winners. Unfortunately, the cut off times meant the excitement of this race was not seen.

Clayton Vets took their 11th victory in 19 years, equalling last year's fifth place. Horwich Vets were second in 10th place, one in front of their A team who had a disastrous last leg.

Yet another mixed team winner, Ilkley A in 24th place, 24 minutes ahead of Pudsey & Bramley Mixed and 36 minutes ahead of their Mixed B team who were third.

Due to changes in Leg distances in recent years I have not included records this year, though none were broken. Middleton Ladies did, however, have the slowest time ever on Leg 1 after going wrong, but they finished with a smile.

Comments on Results

16 teams left early for leg 2 at cut off time of 1.45.00
 32 teams left early for leg 3 at cut off time of 3.00.00
 12 teams left early for leg 4 at cut off time of 4.00.00
 56 teams left early for leg 5 at cut off time of 5.00.00
 63 teams left early for leg 6 at cut off time of 6.00.00
 Times have been adjusted accordingly

Mixed teams have a minimum of 6 females, all females are marked with an 'L' after their name. Teams who had no runners on one leg only have been given the slowest time for that leg. On the day there were few complaints about cheating, although Clayton A accused Salford A of short cutting on Leg 5 in the Bradshaw area. Since Salford were prize winners discussions with the pairs involved have been taking place. Several e-mails have since been received regarding teams short cutting. Keighley&Craven Vets blatantly disobeyed the marshal at Bridle Stile Shelf to cut across the field. This is a problem area, hence the marshal, so they have been relegated to last on this leg. Keighley & Craven B pairing finished 3½ mins apart, the first runner thinking the other had already finished. This is not how the event should be run.
