

# Halifax Harriers A.C.

## The 18th Open

# Calderdale Way Relay

# RESULTS 2001

Near perfect conditions, except for the fog, meant faster times for most teams, reflected in a reduction of teams hitting the cut off times. On saying this a record number of teams took over 9 hours. Thanks to the cut offs most people finish in daylight.

Winners Bingley had a disastrous start with 12th place on leg 1, but with the fastest times on legs 2, 4 and 6 they passed Pudsey & Bramley with a couple of miles to go and won by over a minute. Bingley now hold the record number of wins for the first time.

Many teams appear to have had their own disaster, Horwich 70th fastest on leg 4, Keighley & Craven 87th on leg 5 and Clayton-Le-Moors Vets pulling out due to injury on leg 5 whilst in 6th position overall. Even Halifax Harriers 'A' lost a couple of minutes on leg 3 by not being ready for the changeover. I'm sure many teams will have tales of woe.

With Clayton Vets pulling out, it was left to Kendal to take the Vets honours being 6:34 ahead of Dark Peak.

Bingley Ladies, like their men's team, had a bad start on leg 1 but by the end of leg 2 they had a one minute lead over Todmorden, a lead they increased to 20 minutes in front of second place Ilkley at the finish, Todmorden being relegated to third.

The number of true mixed team entries overtook the Ladies for the first time since their introduction in 1997. Unfortunately a mistake was made with the results on the day by myself. Pudsey & Bramley were awarded first place with Valley Sriders in second. Saddleworth were in fact the actual winners 1:30 ahead of Pudsey, having gained 14 mins on the last leg. My apologies go to all three teams.

After 21 years as 'the main man' at the Calderdale Way Relay, Peter White has decided to withdraw gracefully. I'm sure the thousands of runners who have enjoyed the event over these years will, with me, wish Peter all the best for the future.

Eric North, who like Peter, has played a leading role in this event since it's inception in 1980 is also taking a back seat. Our thanks must also go to Eric whose work getting officials and marshals etc. has been invaluable over the years.

Next year's (and this) 'main man!!' will be Linda Crabtree Tel. 01274 816517 so entries to Linda next year for the event on 8th December 2002.

## Comments on the Results

Leg 1 - One Helm Hill runner finished limping 30 mins after his partner who said he had dropped out. He was then stranded at Cragg Vale and had to scrounge a lift to Todmorden. Ackworth RR recorded the slowest time ever on this leg, one runner being injured from the start. The changeover was moved up the road due to problems with the pub landlord.

Leg 2 - Many teams missed out Withins Gate yet again, we will be considering marshals on this section but it should not be necessary.

Leg 3 - Holmepierrepoint had no runners on this leg and have been given the slowest time

Leg 4 - Baildon were not recorded at the finish of this leg but have been given a time.

Leg 5 - Clayton Vets A dropped out through injury and York Acorn did not finish.

Leg 6 - Five teams did not complete this leg. Harrogate B had only one runner.

9 teams left early for leg 2 at cut off time of 1.45.00  
 19 teams left early for leg 3 at cut off time of 3.00.00  
 9 teams left early for leg 4 at cut off time of 4.00.00  
 44 teams left early for leg 5 at cut off time of 5.00.00  
 50 teams left early for leg 6 at cut off time of 6.00.00  
 Times have been adjusted accordingly

Mixed teams have a minimum of 6 females, all females are marked with an 'L' after their name.

We did not reach our limit of 100 entries for the first time since 1990.

Dark Peak Ladies were disqualified last year for using ineligible runners. The Ladies title passed to Bingley, who retained it again this year.

Very few complaints about cheating this year, let's hope it continues.

AVER % of TOTAL TIME 18.87% 16.44% 10.85% 18.86% 15.58% 19.39%

++=Time Gained -=Time Lost in Mins.Secs

A negative number is the time in minutes and seconds lost for your team.  
 A positive number is the time in minutes and seconds gained for your team.  
 This is based on an average of the percentage each leg time is of the total time for each team.

Sorry teams taking over 9 hours are not calculated
