

Halifax Harriers A.C.

The 14th Open

Calderdale Way Relay

RESULTS 1997

Last year the conditions set the records tumbling, this year the conditions underfoot set the runners tumbling, although above ground conditions were the best for years. Bingley Harriers once again made all the running, this was not evident on the first leg when they were only 1 second ahead of Leeds City AC. Leeds however, were staging an official mixed team and dropped back on leg 2. The chase was taken up by Horwich RMI who held second place on legs 2 and 3 but as usual, Pudsey & Bramley put in a challenge to gain second place for legs 4, 5 and the finish clocking the fastest time on leg 5. Bingley's only blip was on this leg when they only managed 3rd fastest which spoiled their chance for the record they set last year.

A welcome new name was added to the Ladies' trophy. Dark Peak Ladies' 54th place made them clear winners over Pudsey & Bramley in 63rd place. Due to cut off times they were not to know this and Pudsey's Sarah Rowell and Anne Buckley were closest to breaking a record (their own) on the last leg missing out by only 38 seconds.

Kendal Vets' 4th place made them the highest placed Vets' team on record.

Clayton-Le-Moors' record of 1991 was never really in doubt, but Kendal now hold the second fastest Vets' time and were this year's most well balanced team.

A Mixed team prize was introduced this year, unfortunately, many of the mixed teams declared did not have the minimum of six ladies to qualify for the prize. The eventual winners were Leeds City AC with a complement of seven ladies and five men finishing in 44th place.

The only records broken this year were by the slowest team, St Bede's Ladies were the slowest ever on legs 1, 4 and overall beating Baildon Ladies' 1992 record by one hour.

Again it was pleasing that there was a distinct lack of complaints regarding short cutting and incomplete or no kit this year, although kit checks varied from leg to leg. As I say every year, in the interest of the events future it is essential that the correct route is followed and the country code adhered to.

WYLDWA had no leg 1 runners and Queensbury HS had no leg 4 runners both have been given times equivalent to the slowest on the leg. Halifax plc Runners retired from leg 2 and have been given a fictitious time. Rochdale B on leg 1 and Brooksbank HS Vets on leg 5 finished only one runner, no penalties given this year.

11 teams left early for leg 2 at a cut off time of 1.45.00

20 teams left early for leg 3 at a cut off time of 3.00.00

8 teams left early for leg 4 at a cut off time of 4.00.00

42 teams left early for leg 5 at a cut off time of 5.02.00

57 teams left early for leg 6 at a cut off time of 6.00.00

From my own observations of the last leg fewer runners split from their partners this year, perhaps after 14 years the message is getting through. Remember it is not only outside the rules and spirit of the competition but it makes life very difficult for the time recorders when partners do not finish together. Please also read the attached complaint sheet regarding problems which if not resolved could affect the events future.

This is the first year we had a mixed team prize, these teams must contain a minimum of 6 females. Many of the declared mixed teams didn't so they are not on the results as mixed. I have however identified all declared ladies with an 'L' after their name. This has shown up one anomaly where Carnethy Hill Runners leg 2 ladies had the second fastest time of the day, an error on their declaration sheet I'm sure.
