The 9th Calderdale Way Relay 13th December 1992

16 Teams left early for Leg 2 cut off time 1.45 running time
19 Teams left early for Leg 3 cut off time 3.05 running time
8 Teams left early for Leg 4 cut off time 4.00 running time
51 Teams left early for Leg 5 cut off time 5.00 running time
52 Teams left early for Leg 6 cut off time 6.00 running time

After some problems with a modified computer programme to automatically adjust for cut-off times, hopefully all times have been amended correctly.

The same complaints as usual this year, inconsiderate parking especially at Wainstalls, runners not sticking to the route and runners not finishing in pairs. As always they are a minority and they know who they are.

No specific cases of short cutting were reported, so no penalties for this have been given. Pudsey & Bramley A were said not to have been seen going up Windy Bank on leg 5. With a team starting 200 metres ahead and one 600 metres behind it is unlikely they would short cut, if there is one up to the Queensbury Road.

The following penalties have been given :-

Leg 1 Keighley Road Runners C for only finishing one runner, 2 minutes.
Leg 1 Old Crossleyans for only finishing one runner, 2 minutes.
Leg 3 Huddersfield Road runners for setting off early, 2 minutes.
Leg 4 Hx Bldg Soc Helpless Harriers for only finishing one runner, 2 minutes.

Times have been adjusted accordingly.

Pennine Fell Runners were not checked through Shelf but said they arrived at 5.45.00 which sounds reasonable. Holmfirth D were also not checked through Shelf, a finish time of 5.45.00 was also given this may be a bit late.

Manchester University missed the first leg for the second year running we have been lenient this year setting their second leg off in 17th place and letting their time and position stand.

Most importantly Calder Valley A team have been disqualified for running a first claim member of Harrogate AC on leg 6. This objection has been made by Harrogate AC who will be putting it in writing. Although this is a "fun" event and many teams use runners who are second claim or even non members this is against the BAF rules. I would suggest, in future, that anyone wanting to run for a club other than his first claim club clears it with them first and is sure they won't be in contention for prizes.

Two new leg records were set this year, leg 3 by 1 min and a 7 year old ladies leg 6 record held by M Hurst and L Lord of Clayton beaten by 1 min 37 sec.

Hope you enjoyed the new venue, Greetland Community Centre, lots more room and a good choice of beer.

For the statistically minded I'll try and explain the + and - columns at the end of the results.

Firstly the percentage of each leg time of the teams total time is calculated for each team. These percentages are then averaged for each leg as shown at the end of the list. The time that each leg should have taken is calculated by taking the team time multiplied by the average percentage for that leg, the actual time taken is then subtracted from it. A positive answer is time gained (fast leg) for the team a negative is time lost (slow leg). All losses and gains should add to zero within a second or two.

Clear as mud, well here's an example:-

Total team time for position 20, Fellandale A, is 6.37.05. The average percentage for leg 1 is 20.82%, therefore leg 1 should have taken 20.82% of 6.37.05 or 1.22.41. Subtracting the actual time of 1.18.13 gives +4 min 28 sec a faster time than they should have run.

The most evenly matched team for the past 2 years is Clayton A who, last year, had a top plus of +45 sec and a top minus of -39 sec and they were not much worse this year.
