The 8th Calderdale Way Relay 8th December 1991

5 Teams left early for Leg 2 cut off time 1.45 running time
13 Teams left early for Leg 3 cut off time 3.00 running time
2 Teams left early for Leg 4 cut off time 4.00 running time
38 Teams left early for Leg 5 cut off time 4.55 running time
31 Teams left early for Leg 6 cut off time 6.00 running time

All times have been scrutinised and adjusted accordingly.

After the horrendous weather conditions on both of last year's dates, this year couldn't have been better. The start, which at one stage seemed as though it would be delayed at least 10 minutes due to the mugs which should have been in packs of 12, but came in boxes of 36. Eventually the start was less than four minutes late. This was also a tense time for Manchester University's lone runner, who thinking he had no team decided not to run. Had he done so, their team would have finished in the top 15. We did however, set their second leg runners off at position 26 but gave the first leg the slowest time of the day. Rochdale also had only one runner, but due to his late start, no penalty has been given.

Due to an unfortunate injury on leg 1 M.O.B. only finished one runner, but no penalty has been given.

This year's penalties for short cuts, given in detail to the timekeepers, were as follows:

2 minutes against Bingley Vets on leg 1 reported by Clayton Vets for running down a field and climbing fences, this was more for easy running than for short cutting but is still a deviation from the route and can upset landowners.

2 minutes against Bingley Ladies on leg 4 reported by Rossendale Ladies for deviating from the route to gain advantage.

These legs are marked with an asterisk and team times/positions have been adjusted accordingly.

Holmfirth A were accused of using abusive language against Calder Valley A on leg 5, seemingly for not helping them with the route. No penalty given. Each year we emphasise the necessity to keep to the route and follow the country code in order not to upset local landowners and the countryside rangers. Please behave better next year.

The majority of teams have now learned that running with your partner rather than 200 yards apart is to the teams advantage. The small minority who seem to want their own personal best should not be running this type of team competition. Please in future stay with your partner.

Parking and spectators also cause problems, with some spectators actually being abusive to marshals. Over 50 Halifax Harriers and friends were allocated jobs, many working from 7 am to 6 pm. They need the co-operation of spectators and runners to allow the event to run as smoothly as possible.

With all the grumbling over I am sure you would like to thank all the people who helped you run in this now classic event, your own back up and Halifax Harriers members and friends and we hope to see you all back again next year.

Thanks to Clayton Vets for the addition of the Vets Record which is based on Vets only teams since 1986. This will be kept up to date with the other records. Anyone know the names for Clayton Ladies 6th leg record of 1985?
