All times have been scrutinised and adjusted accordingly.

Selby Striders had no first leg runners recorded at Cragg Vale and a time of 2.15.00 for this leg. Our apologies if you were missed by the timekeepers. Halifax Building Society had no 3rd leg runner due to lack of knowledge of cut off times. They have been given a time of 1.10 for this leg.

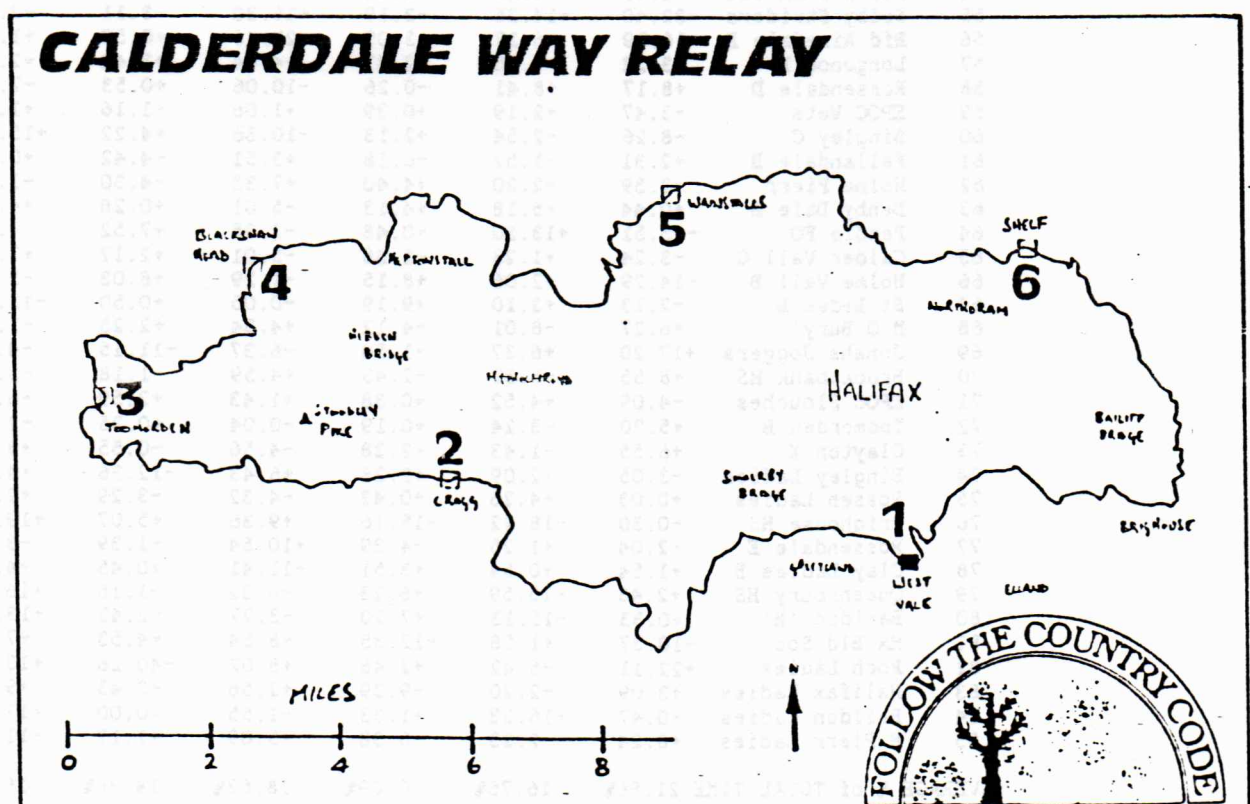

All results are subject to correction by your own stop watch.

No penalties for short cutting have been given this year, although there were many non specific complaints, especially on leg 2 at Stoodley Pike. Unfortunately there was no Marshal or bucket for the tags at Withins Gate. Please remember by short cutting you are mainly cheating yourselves as well as upsetting other runners and landowners, this cannot be good for the events reputation. Employing marshals around the full 50 miles is not practicable and should not be necessary. Would runners please in future keep to the correct footpaths and follow the Country Code including gate closing, even though other runners are not far behind.

This year saw by far the worst weather conditions in the events 7 year history. This was reflected in the poor times with Pudsey & Bramley winning in a time nearly 19 minutes outside their own course record, even with a record time on leg 4. In general the average team was 25 minutes slower over the first 3 legs and 15 minutes slower over the last 3 legs on previous years.

Hope to see you all back next year

Our thanks this year go to Sportsfeet for their generous assistance with prizes.
