CALDERDALE WAY RELAY 1989

10th December 1989
Comments on Results

- 11 Teams left early for Leg 2
- 14 Teams left early for Leg 3
- 3 Teams left early for Leg 4
- 21 Teams left early for Leg 5
- 26 Teams left early for Leg 6

All times have been scrutinised and adjusted accordingly.

Clayton Vets B had no first leg runners and have been given a time of 2.30.00 for this leg.

Hypertolme GS had no first leg runners recorded by 10.15 am and have been given a time of 2.30.00 for this leg.

Holme Valley SC 'B' were not recorded through legs 1 and 2, while Holme Valley SC 'C' were not recorded on leg 3. Estimated times have been given for these legs.

Longwood and Barrogate were not recorded through leg 2, hence times for legs 2 and 3 are estimates.

Holme Pierrepont Harrier were not recorded through leg 3, hence times for legs 3 and 4 are estimates.

Halifax B Team have been disqualified for only finishing one runner on leg 2, due to injury (now in plaster).

Holmfirth Vets were penalised by 2 minutes for alleged short cutting on leg 6. This complaint was upheld on the day, but an enquiry since has proved not strictly to be the case, although one runner did leave the route.

Various other non-specific complaints of short cutting have been made by runners, spectators and farmers. This mainly upsets local landowners and cannot be good for the events reputation. Deploying marshals around the full 50 miles is not practicable and should not be necessary. Would runners please in future keep to the correct footpaths and follow the County Code including gate closing, even though other runners are not far behind.

Leg 3 positions 9 to 13 and leg 5 positions 10 to 16 were haphazardly recorded on the results sheet but hopefully have been interpreted correctly.
All results are subject to correction by your own stop watch.
All names are subject to correction by your own handwriting.

Hope to see you all back next year

Once again, our thanks must go to Crosrol Limited, Textile Machinery Manufacturers, for their generous sponsorship, allowing us once again to increase prize values.
