You then read the documents relevant to you, then click on the boxes relevant to you.

Next thing is to click on the save button at the bottom, I think it is easy to miss that!

I have discovered that there is also an athlete terms and conditions to sign, which does not appear on the code of conduct page. Instead, you need to go into my athlete record to find this read, tick the box, and then click on submit.

I appreciate this is quite a tricky and time-consuming exercise and I'm very grateful for your help in achieving this which is both protective to yourselves and to the club as a whole. If you ask him, your membership secretary Alan Brady will be able to check it has all gone through and can let you know if it has been successful.
